

IV National Conference
on
Statistical Inference, Sampling Techniques and Related Areas
[Under DRS-I (SAP) UGC]

February 18-19, 2014

Department of Statistics and Operations Research
Aligarh Muslim University, Aligarh, India.

The National Conference on Statistical Inference, Sampling Techniques and Related Areas will be organised by the Department of Statistics and Operations Research, Aligarh Muslim University, Aligarh, India during February 18-19, 2014.

The aim of holding the conference is to disseminate and highlight the current researches in the specified branches in Statistics under DRS-I in UGC Special Assistance Programme.

About Aligarh Muslim University (AMU)

The AMU is a premier Central University with several Faculties and maintained Institutions and draws students from all corners of India and from abroad as well.

Aligarh is situated on the middle of *Doab*-the land between Ganga and Yamuna rivers, at a distance of 130 km southeast of Delhi on the Delhi-Kolkata rail route and the Grand Trunk Road. The latitude is 27.54' N and longitude is 78.05' E.

The weather will be pleasant and moderately cold in February.

The university campus is 3 km away from Aligarh Railway Station and about 90 km from *Agra*, the City of *Taj*.
