D.No. 424 /VCS

APPEAL TO AMU FRATERNITY AND ALL SECTIONS OF SOCIETY

The verdict in Ayodhya Judicial case is likely to be delivered soon by the Honorable Supreme Court of India. It is the duty of all sections of society to show utmost respect to the decision of the Highest Court and not to give statement or indulge in any activity which may vitiate the peaceful atmosphere in the university campus, city and country. It is time to show the world that we Indians believe in the rule of law and will accept the decision of the highest court with maturity and due respect.

I also caution all especially our peace loving and cultured students against rumors, false propaganda and fake news on social media. We must all exercise maximum restraint and maintain goodwill and amity all over the country. We are a nation of diverse cultures, languages, religions with a rich heritage and our greatest strength is unity in diversity.

I once again appeal to all sections of AMU Fraternity (teachers, students, non-teaching staff, alumni, well-wishers) to work together to maintain brotherhood, harmony and goodwill among all sections of the society on the campus as well as country.

With best regards,

[Signature]
Professor Tariq Mansoor
